

Zoomed Comparison for Model1: 1 perturbers, differential evolution fitting

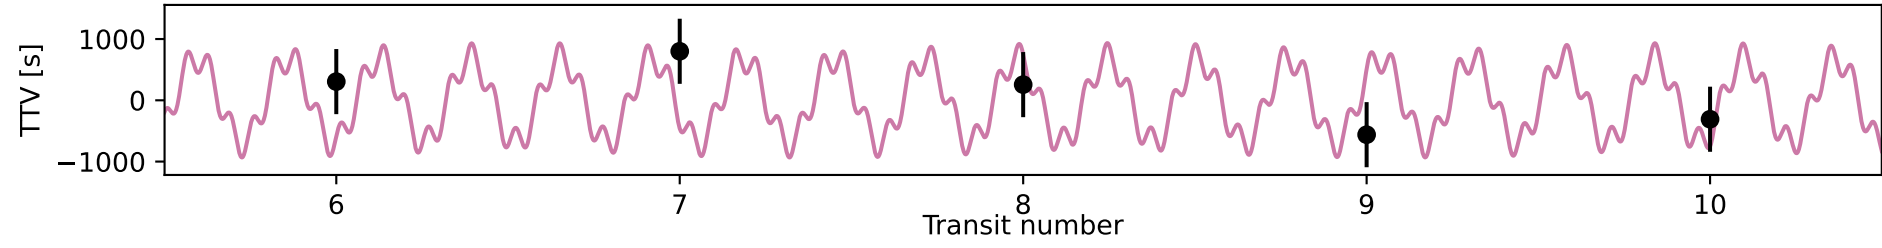

Zoomed Comparison for Model1: 1 perturbers, dual annealing fitting

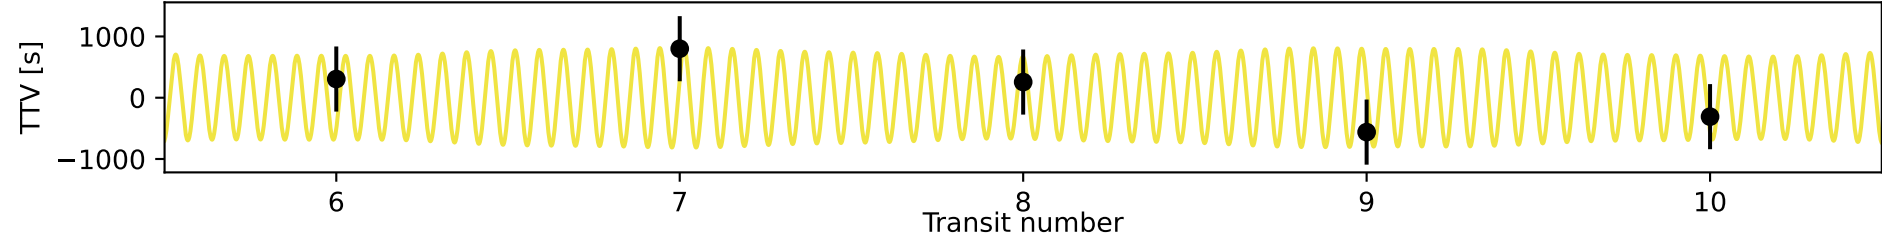

Zoomed Comparison for Model1: 2 perturbers, differential evolution fitting

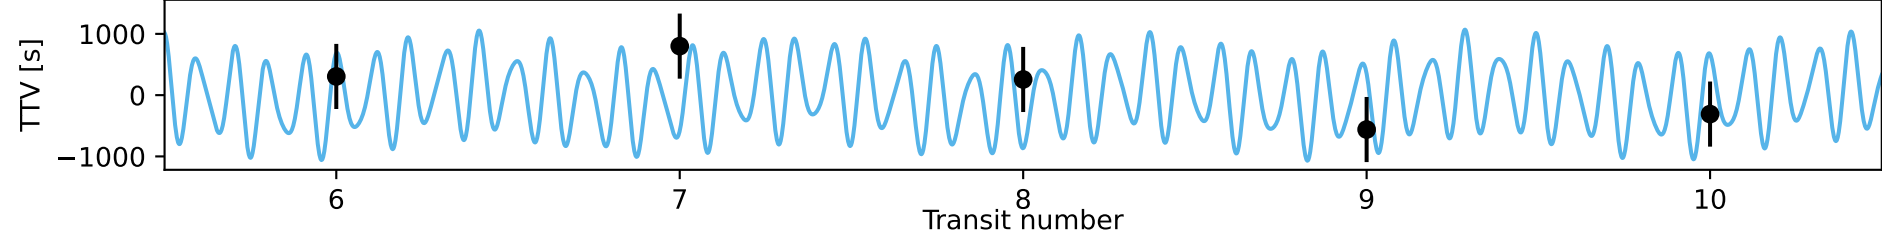

Zoomed Comparison for Model1: 2 perturbers, dual annealing fitting

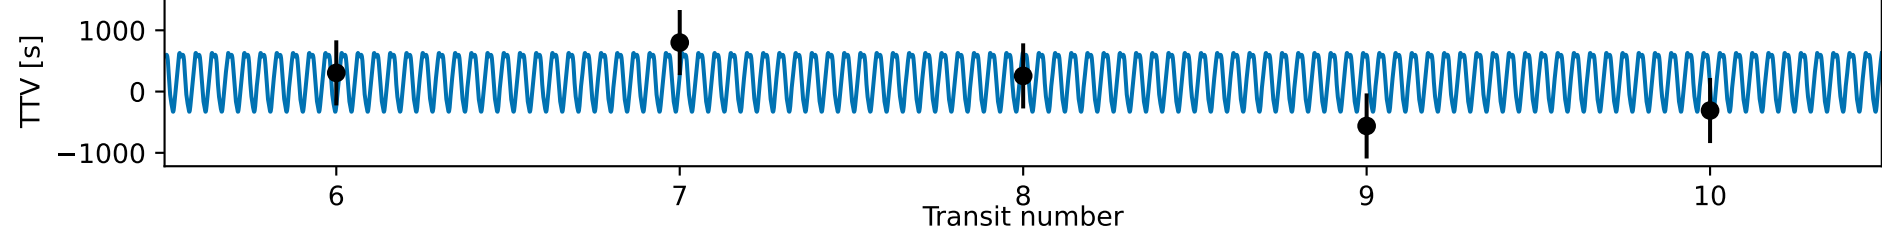

Zoomed Comparison for Model1: 3 perturbers, differential evolution fitting

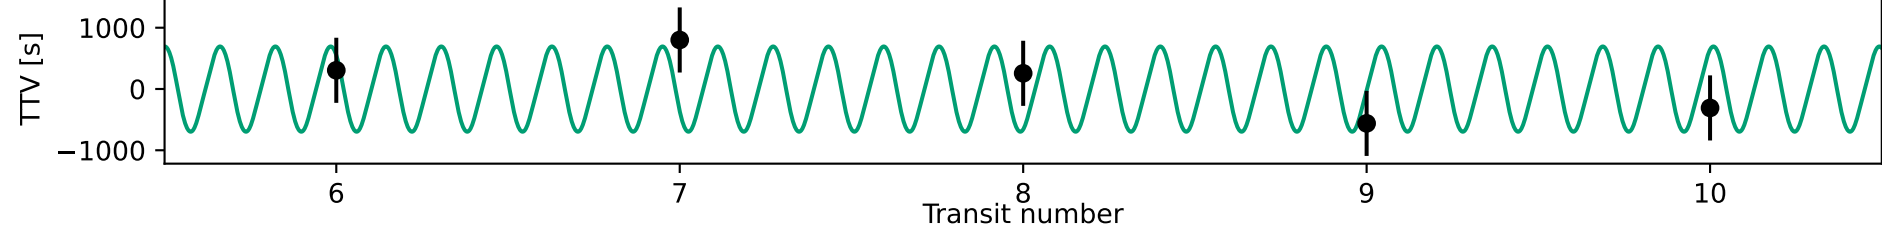

Zoomed Comparison for Model1: 3 perturbers, dual annealing fitting

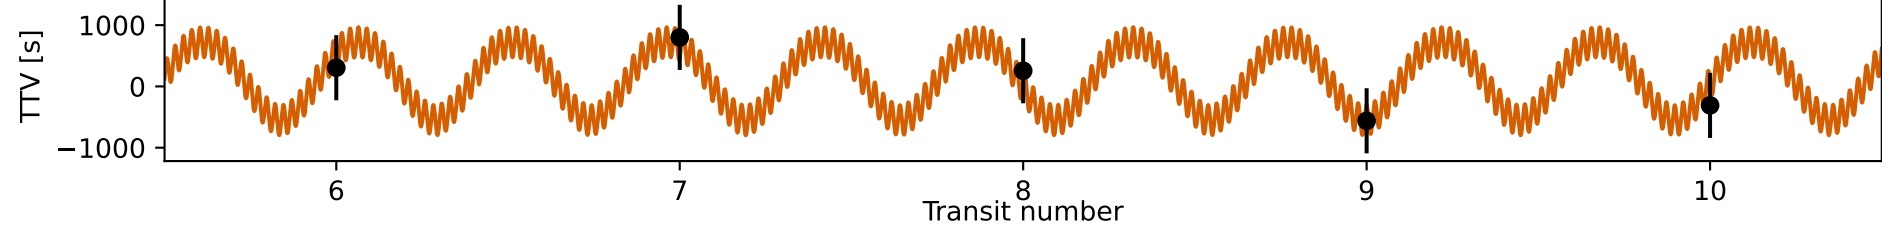

Zoomed Comparison for Model2: 1 perturbers, differential evolution fitting

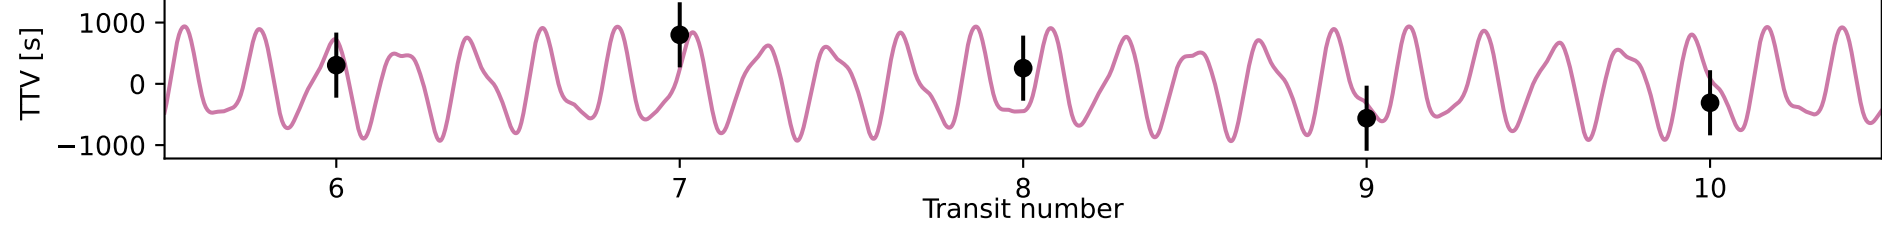

Zoomed Comparison for Model2: 1 perturbers, dual annealing fitting

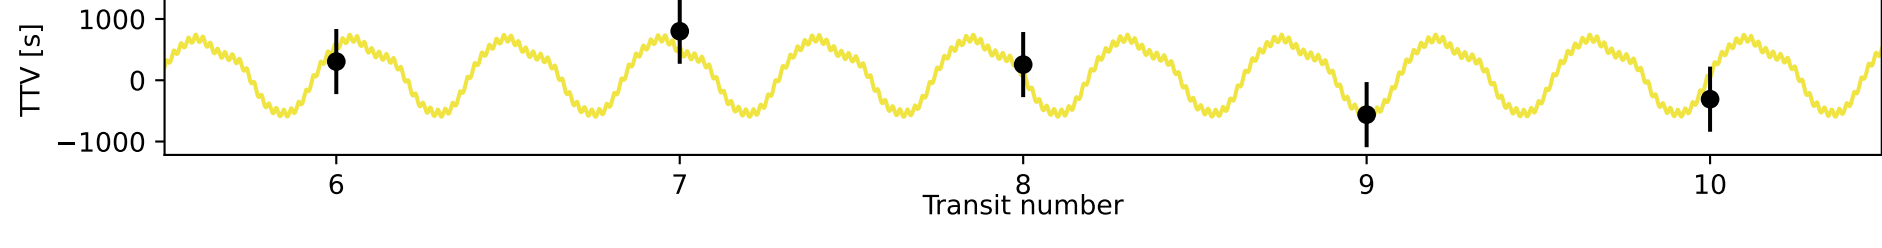

Zoomed Comparison for Model2: 2 perturbers, differential evolution fitting

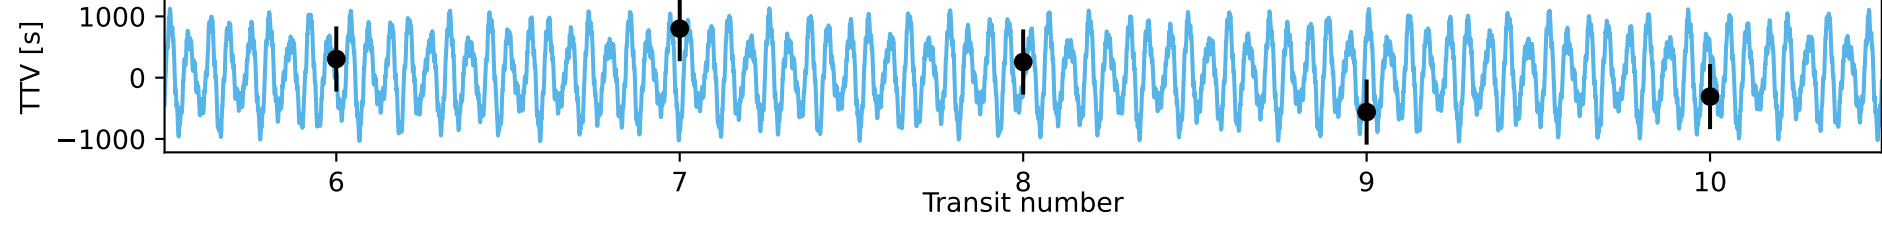

Zoomed Comparison for Model2: 2 perturbers, dual annealing fitting

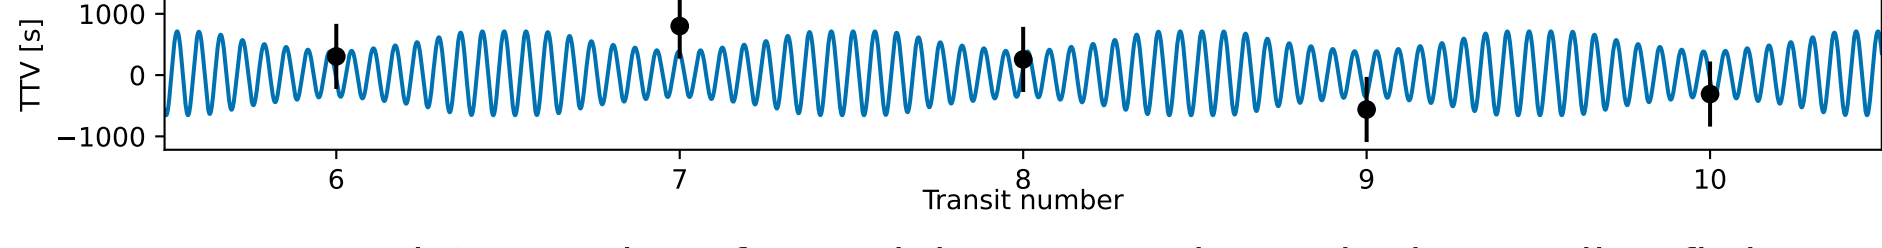

Zoomed Comparison for Model2: 3 perturbers, differential evolution fitting

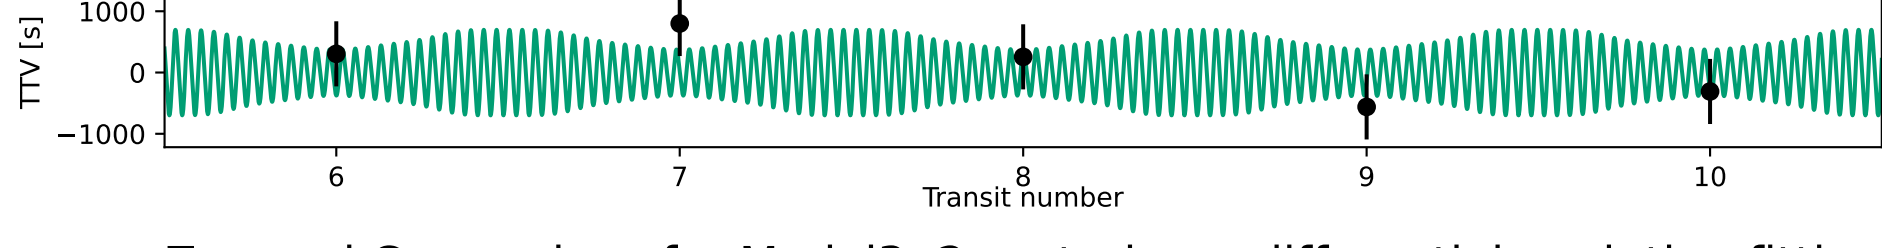

Zoomed Comparison for Model2: 3 perturbers, dual annealing fitting

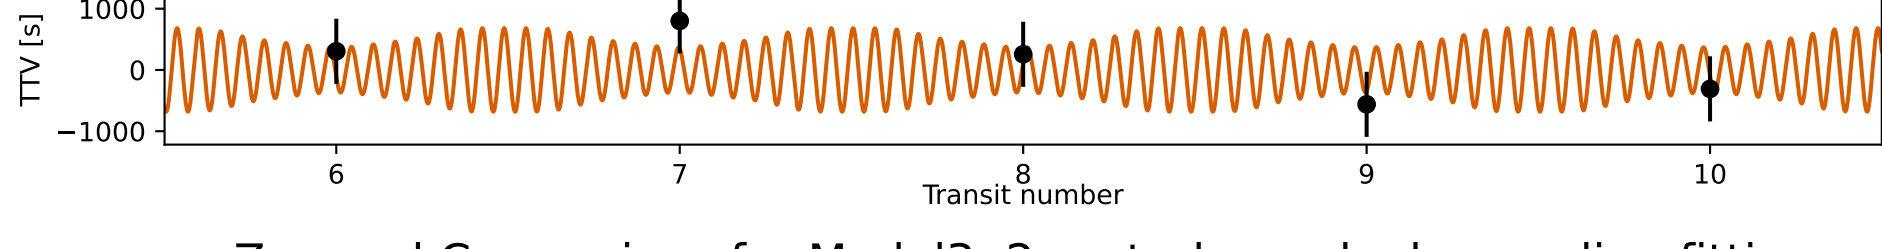

Zoomed Comparison for Model3: 1 perturbers, differential evolution fitting

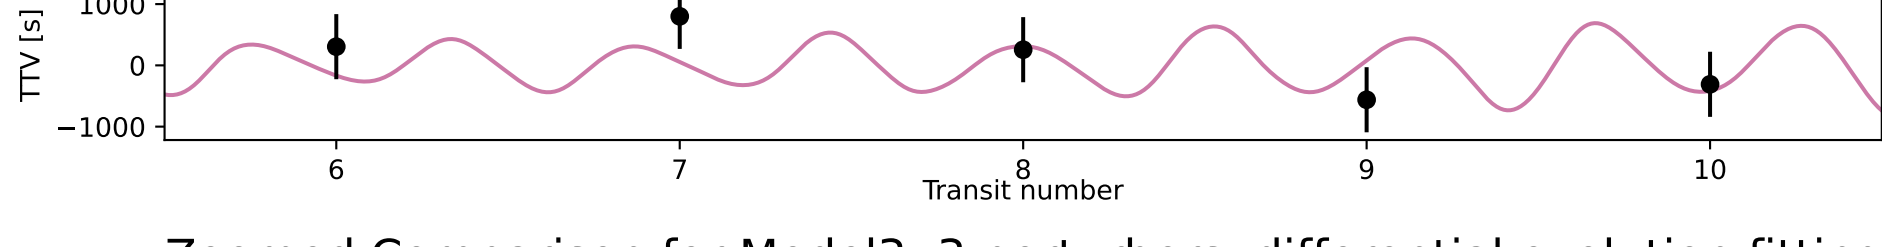

Zoomed Comparison for Model3: 1 perturbers, dual annealing fitting

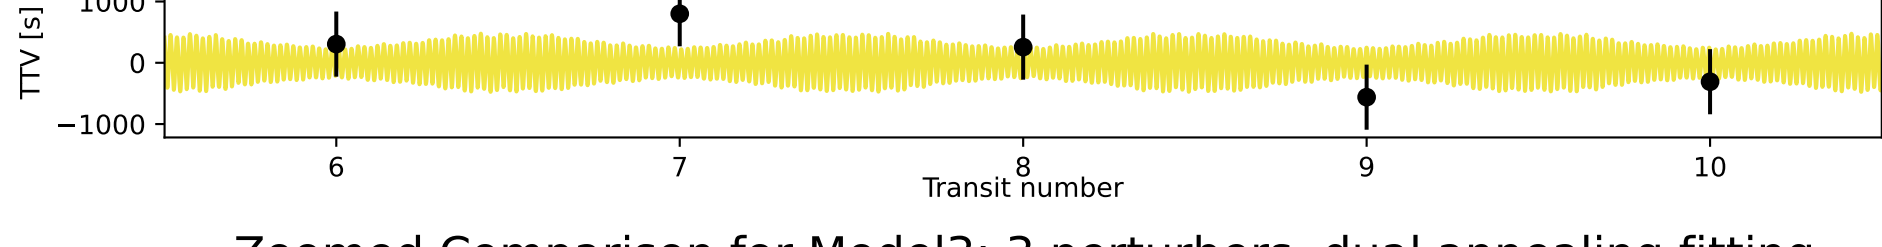

Zoomed Comparison for Model3: 2 perturbers, differential evolution fitting

Zoomed Comparison for Model3: 2 perturbers, dual annealing fitting

Zoomed Comparison for Model3: 3 perturbers, differential evolution fitting

Zoomed Comparison for Model3: 3 perturbers, dual annealing fitting
